PRICELIST AUGUST 2014

### **Switch on to style & finishing.**

Introducing a range of wiring devices where functionality meets aesthetics, that not only compliments the latest trends in interior design but inspires the work of architects and interior designers.

Each product provides an elegant aesthetics required by today's interior designers and also offers unrivalled longevity and functionality as synonymous with the SAFECON Brand. A combination we pride ourselves on.

### **Perfect combination of Form & Function**

THE ELEGANT KRYSTAL RANGE COMES IN VARIOUS COLOURS & FINISHES
